

Active IELTS speaking
Part 2

A school subject

Describe a subject you studied at school that you liked

You should say

**What subject it was
When you studied it
What you learned**

and say why you liked it

You will have to talk about the topic for 1 to 2 minutes.
You have one minute to think about what you are going to say.
You can make some notes if you wish.

Rounding off question

Do you still remember what you learnt?
